Hello Cap.

You wished that I
answer your letter
as soon as possible.

~~At~~ I am sorry to say
that until ~~to~~ now I
wouldn't have been
able to give you a definite
address. If you care to
write, you may, and I
shall answer in response
to your letters. I and family
are well. Sincerely hope that
you are the same. Tell

all the ^{the} fellows hello
and that our trip was
rather nice.
